Dear Policyholder:

Thank you for placing your workers' compensation coverage with Grand River Insurance Agency (GRIA). We look forward to working with you to fulfill all your workers' compensation needs.

Enclosed you will find documentation necessary for the processing and administration of a claim in the event of a workplace injury, as well as important information regarding workers' compensation requirements for your state (i.e., posting notices, compliance laws, etc.).

Please utilize the documents included to collect valid information regarding the injured employee and incident and send the documents in when reporting the claim or upon request.

All new claims can be reported to claims@grandriverservices.com. Please email a completed first report of injury form (34401) along with a brief message describing the claim.

Indiana state law recommends employers report every industrial injury or occupational disease claim to their workers' compensation carrier as soon as possible or within 5 days of employer knowledge of injury. State law also requires that employers authorize initial medical treatment within 24 hours of knowledge that an occupational injury or illness has been sustained or reported, regardless of the legitimacy of the claim. Failure to comply may result in the loss of "medical control" and a significant increase in the potential claim cost.

We will attempt to contact you and the injured worker within 24 hours of receiving the First Report of Injury.

Questions regarding your insurance policy or coverage should be directed to your Grand River agent. We thank you for choosing Incline Casualty Company as your workers' compensation carrier and look forward to providing you superior customer service and compassionate care for your injured workers.
